

The Corporate Finance Valuator (CFV) designation is awarded by the Israel Association of Valuators and Financial Actuaries (IAVFA), and is the Israeli recognized benchmark professional designation for those who value businesses and intangible assets. The CFV designation ensures that Certified CFVs have mastered the critical knowledge, skills and abilities necessary to perform corporate valuations.

Corporate Finance Valuator (CFV) **Designation Application**

Please complete the information below (Print or Type): Your name and address exactly as you wish it to appear in IAVFA's Credentialed Member Directory and on your CFV Certificate. To better serve you, IAVFA requests a curriculum vitae and a business photo (head shot) be submitted along with your application. Please read the certification criteria provided on IAVFA's website at www.IAVFA.com

SECTION B

Business References Applications for membership in IAVFA cannot be processed without written letters from three business references.

Please provide your references with these guidelines before they write their letters. References should be informed that they may be contacted for additional information.

You may also download a Reference Letter Form for your references to complete from the IAVFA Web site. Each letter must address all of the following items:

- If you are a person of good character
- The number of years the reference has known you
- Whether or not the reference has worked with you in a business capacity
- If you are financially responsible, to the best of the reference's knowledge
- If you are presently engaged in the field of appraising
- A telephone number where the reference can be reached
